Re: Updated Emerging Small Business (ESB) Certification

Dear Mr. San,

The Colorado Department of Transportation Civil Rights & Business Resource Center is pleased to inform you that the ESB certification for San Engineering, LLC DBA San Engineering has been updated. San Engineering, LLC DBA San Engineering will remain listed on the Colorado ESB Directory at <http://www.coloradoesb.org/>. Your firm has been certified as a Level 2 ESB.

Annual Update

Your firm's ESB Certification must be updated annually by submitting a No Change Affidavit and the most recent tax returns for the business and its owners on or before its anniversary date. The anniversary date of your firm's certification is August 31, 2020. Forty five (45) days prior to the anniversary date, you will receive a courtesy notice reminding you to submit your annual update documents through CDOT's online certification management system at <http://cdot.dbesystem.com>. However, CDOT is not responsible for undelivered notices. Failure to complete and submit your firm's annual update by its anniversary date may result in decertification and removal from the ESB Directory.

Changes to Your Business

You must notify the Civil Rights & Business Resource Center of any changes to your firm's legal structure, ownership, management, control, and/or work performed within thirty (30) days of the change. Please include any available supporting documentation in your notice.

If you have questions or require assistance, please contact our office at (303) 757-9234 or dot_civilrights@state.co.us.

Sincerely,

Alex Corona
