Subject: RTD Small Business Enterprise Certification Approval

Dear Mr. San:

The Small Business Office is pleased to inform you that your application for certification as a Small Business Enterprise (SBE) with the Regional Transportation District (RTD) has been approved. Pursuant to RTD's SBE program policies and procedures, San Engineering, LLC is certified as a Category 2 SBE. Based on the information you provided, your company will be listed with the following NAICS Code(s):

NAICS Code	NAICS Code Index Description
541320	Urban planning services
541330	Civil engineering services
541330	Traffic engineering consulting services
541340	Drafting services
541618	Other management consulting services

Your firm is eligible to perform work under the specified NAICS codes as an SBE on RTD projects with SBE participation goals. The RTD SBE Certification program is established to create a level playing field, remove contracting barriers, and assist in capacity growth. However, the SBE Certification does not guarantee contracting opportunities with RTD. SBE certified firms must market and compete for prime and subcontracting opportunities with RTD.

Your firm will be listed in RTD's SBE Directory, an online directory of eligible SBEs at www.rtd-denver.com under DBE and SBE Program). This certification is valid through July 31, 2022, however, eligibility must be reviewed annually. Forty-five (45) days prior to the anniversary date, RTD will send you a reminder to submit a Change/No Change Affidavit and a Personal Financial Statement. Failure to submit the Change/No Change Affidavit by the firm's anniversary may result in decertification and removal from RTD's SBE Directory. If there are any changes in the firm's ownership, control, legal structure, work performed, scope of services, or contact information, you must notify the Small Business Office in writing immediately.

RTD also reserves the right to request additional information and/or to conduct an on-site visit or a more thorough review anytime during the term of this certification period. RTD reserves the right to withdraw, revoke, or suspend certification if it determines that certification was knowingly obtained by false, misleading, or incorrect information.

Please visit the Business Center at www.rtd-denver.com for upcoming contracting/consulting opportunities, information on doing business with RTD, and resources available to small businesses. We welcome your participation in our SBE program and wish you every success. If you have questions or concerns, please contact the Small Business Office at 303-299-2126 or by email at vivian.morales@rtd-denver.com.

Sincerely,

Zamy Silva, Senior Manager
